A 5x3 grid of the words 'ICK' and 'BRICK' in a bold, blocky, distressed font, resembling a brick wall pattern. The text is arranged in five rows and three columns. The first column contains the word 'ICK' repeated five times. The second and third columns contain the word 'BRICK' repeated five times. The font is thick and has a weathered, distressed appearance with some internal texture and irregular edges, giving it a brick-like quality. The background is a light, textured gray.
