**GUIDE  
GUIDE**

**1972**

**USA &  
INTERNATIONAL**

We have introduced a coding system and some entries are already coded. It will take many editions of the Guide before all entries are coded and here again we must ask your help. We ask our readers to realize that there will be differences of opinion with respect to coding, but do send in the coding that you would use for any particular bar. We will do our best to arrive at a consensus of opinion. Inevitably, different users of this Guide will have varying experiences at any given bar. However, over a period of time, we should be able to provide a reasonably accurate classification of the listings.

The code is as follows:

- AYOR: "At Your Own Risk." Designates an entry where you might like the people there, but it is highly questionable that they will like you.
- B: "Beer." No other alcohol served.
- C: "Colored." Predominantly, but not exclusively.
- D: "Dance." Individuals of the same sex may do so.
- E: "Elegant." Coat and tie.
- G: "Gay."
- GL: "Heavy military patronage."
- H: "Hustlers."
- L: "Lesbian." Not always strictly, but predominantly.
- LJ: "Leather Jacket." Also implies S-M.
- M: "Mixed." Appears straight but sufficiently active to make it worthwhile.
- OC: "Outside Cruising."
- P: "Private." Members only.
- RT: "Rough Trade." If the atmosphere is very tense, add a hyphen and the AYOR classification!
- S: "Show." Has drag and/or other appropriate entertainment.
- WE: "Weekends." Not too active otherwise.
- YC: "Young Crowd." Collegiate age.
